1st April 2013

The NHS is changing. On the 1st April legislation came into place that created Clinical Commissioning Groups (CCGs) led by local General Practitioners. We are part of the Southern Derbyshire CCG which has 57 Practices as members. We are pleased to inform our patients that Dr P A A Wood and Partners are taking an active role in GP Commissioning.

Manage your appointments online
Booking your next appointment over the internet is easy. You can do it anytime without waiting for surgery phone lines to open. So,
whether it’s in the middle of the night, your lunch break at work, or even if you’re away on holiday, you can login and secure yourself an appointment within seconds.

Forgotten the time of your next appointment?
Login to SystmOnline and see it!

Your appointment no longer needed?
Login to SystmOnline and cancel it.

Manage your medication online
If you find it hard to get to the practice to order your next repeat prescription, SystmOnline could make your life easier. Simply login to SystmOnline and view a list of the medication you have been prescribed. Select the prescription you need and click the ‘Request Medication’ button. All you have to do then is collect your prescription as normal two working days later.

Come into the Practice and speak to our practice staff to get your user name and password. Sorry we cannot do this over the telephone. It would help us if you could come into the Practice after 11:00am when our early morning busy period is over.

To protect your security we ask you to bring some form of photographic identification before we are able to provide you with your login details.
Young people over the age of 13 years will need to attend in person with photographic identification.

Then you can start using our on line service.

New e mail addresses
The changes to the NHS have meant that we have had to change the e mail
addresses of our receptions.

For Park Farm Medical Centre:
SBCCG.C81064-ParkF-Reception@nhs.net
For The Vernon Street Surgery:
SBCCG.C81064-Vernon-Reception@nhs.net

Would you be so kind as to amend your e-address book. Thank you.

Saturday Appointments at The Vernon Street Surgery
If you find that you are unable to make your appointment on the Saturday morning we would be
grateful if you would call on Friday and cancel the appointment. We can then offer the time to another patient.

Have you visited our website?

There are regular health updates on the notice board, travel information, information about long term conditions and much more.

There is also information about how to book appointments online and to request your repeat medication online or via email. Would you like to see the site in another language? Just click on the flags and select your language.

Have a look and let us know what you think, we value your opinions. http://www.parkfarm-medical.net
