

**FUNDING FOR TREATMENT IN THE EEA – APPLICATION FORM**

**Please note: NHS England can only process claims for residents ordinarily resident in England.**

**Reimbursements will only be granted for eligible treatment costs (i.e. not travel / accommodation).**

**S2** route applications must be authorised by NHS England before treatment. The provider must be a state provider (*the onus is on the applicant to confirm whether the provider is in the state sector and to check if they will accept an S2 form*).

**Directive** route applications must be authorised by NHS England prior to treatment if subject to “prior authorisation”. Otherwise claims can be submitted post treatment and the provider can be state or private.
